JAG Emergency Shower and Eyewash Trailers are engineered to provide vital emergency shower and eyewash facilities in endless environments where hazardous materials are present, ranging from oil & gas site support, to factory and lab installations, to environmental remediation efforts, in climates ranging from arctic to desert.

JAG Mobile Solutions Emergency Shower Trailers range in size from single station to multiple stations. The addition of restrooms, standard showers, a break room, a rehab room, lockers, or interior/exterior sinks add endless possibilities to maximize investment.

Choose a standard floor plan or call the JAG Design Staff to custom build a unit that meets your specific requirements.
