JAG Mobile Solutions offers Mobile Showers in a variety of sizes, from 1 to 20 stations housed in trailers ranging from 8 feet up to 53 feet. Combination Units offer restroom and shower facilities combined in the convenience of one trailer. Choose from a variety of style options from basic, to industrial, to elegant. Mobile Showers and Combinations are perfect for sporting events, disaster relief efforts, man camps, and campgrounds. The Aqua-Maxx 8 features 8 stalls that each provide complete privacy for patrons and allows for stalls to be designated female, male, or unisex. Aqua-Maxx 8 also houses 4 stainless steel sinks in an external compartment making this a very versatile unit. All Mobile Showers and Combination Units are available with our Industrial, Commercial, or Versa interior styling. These functional and durable mobile facilities can be equipped with on board water supply, deluxe winterization packages and private entry doors to suit your customers' needs.
