

JAG MOBILE SOLUTIONS INTRODUCES EMERGENCY SHOWER AND EYEWASH TRAILERS

Based on the growing needs of JAG Owners, JAG Mobile Solution is happy to announce the addition of a full line Emergency Shower & Eyewash trailers.

JAG Mobile Solutions Emergency Shower and Eyewash Trailers are engineered to provide vital emergency shower and eyewash facilities in endless environments where hazardous materials are present; ranging from Oil & Gas Site Support to Factory and Lab installations to Environmental Remediation efforts. JAG Emergency Shower Trailers are built to perform exceptionally in climates ranging from arctic to desert. JAG Emergency Shower-Eyewash Trailers range in size from single to multiple stations. The addition of restrooms, standard showers, a break room, a rehab room, lockers, or interior/exterior sinks add endless possibilities to maximize investment.

For more information on JAG Emergency Shower & Eyewash units, please call 800-815-2557 or visit www.jagmobilesolutions.com
